Internship Offer Letter : NodeJS Development Intern

Dear Shabd,

We're pleased to let you know that we've selected you as a **NodeJS Development Intern** (location: Work from Home) based on your interview, for a period of 6 months (1 month probationary, further extendable till 5 months), which will start from 3rd June 2024.

In your training period, you will be expected to actively participate in the assigned tasks and training. Your dedication and commitment to learning will play a crucial role in the evaluation process held at the end of your training period, after which your internship period will start.

The company reserves the right to terminate the internship before completion, on issuing 2 warnings if your performance is not up to the desired standards. In case of such an unfortunate incident, you will be fairly compensated for your work till your last working day.

Please sign and return a scanned copy of this letter and the Non-disclosure agreement and confidentiality agreement to acknowledge your acceptance of this offer. Please note that this offer letter is for the requested internship only and does not create any employment or guarantee for future full-time employment by the company.

We would like to take this opportunity to welcome you to the team and wish you success in your future career.

Best regards,

Aditya Tripathi
